What Your Network is Saying

---

**Pertti (Bert) Hakkinen** What do you know about PubMed Commons? It is "the pilot system that enables authors' discussion and sharing of information about publications in PubMed. The first public version of the PubMed Commons pilot will be released in the coming weeks. All users of PubMed will be able to see and cite comments." <http://lnkd.in/d6Tqs8A>

**PubMed Commons going public soon**

It's been a month since the beta launch of PubMed Commons, the pilot system that enables authors' discussion and sharing of information about publications in PubMed. The first public version of the...
